

March 18, 1975

Office of the White House Press Secretary

---

NOTICE TO THE PRESS

The President will transmit to Congress tomorrow, the legislation which expands competition, provides improved customer services, and strengthens the ability of Financial Institutions to adjust to changing economic conditions.

Secretary William Simon and Deputy Secretary Stephen Gardner will hold a briefing in the White House Press Briefing Room at 9:45 a. m., tomorrow, Wednesday, March 19, to discuss the highlights of the legislation and answer questions.
