

April 4, 1975

Office of the White House Press Secretary
(San Francisco, California)

NOTICE TO THE PRESS

CORRECTION

In the text of "Excerpts of Remarks by the President to be Delivered to the San Francisco Bay Area Council - St. Francis Hotel", the last paragraph, beginning "In the expectation . . ." It should read:

"terminate the program when the unemployment rate decreases to a specified level."

("unemployment" instead of "employment")
