DEPARTMENT OF JUSTICELegal Activities and General Administration

For an additional amount for "Salaries and expenses, General Administration", \$129,000 to be derived by transfer from the appropriation "Salaries and expenses", Law Enforcement Assistance Administration, 1975.

Federal Prison System

For an additional amount for "Support of United States prisoners", \$2,900,000 to be derived by transfer from the appropriation "Salaries and expenses", Law Enforcement Assistance Administration, 1975.

1976 Budget Appendix Pages	Heading	1975 Pending Request	1975 Proposed Amendment	1975 Revised Request
596 and 1034	Legal Activities and General Administration: Salaries and expenses, Anti- trust Division	\$77,000 transfer authority	\$906,000 transfer authority	\$983,000 transfer authority

These transfers are necessary to meet unanticipated and unbudgeted expenses associated with trial litigation, support of Federal prisoners in local detention facilities and operation of the parole system.

The expenses for these activities have been greater than originally anticipated because of uncontrollable increases imposed by the Courts, inflationary increases in care and custody costs of State and local jails, and because of unanticipated increases in the caseload of the Board of Parole requiring additional manpower.
