THE WHITE HOUSE

The President today declared a major disaster for the State of Kentucky as a result of severe storms and flooding, beginning about May 17, which caused public and private property damage. The President's action will permit the use of Federal funds in relief and recovery efforts in designated areas of the State.

Federal assistance from the President's Disaster Relief Fund will consist primarily of temporary housing and disaster unemployment assistance payments to those who lost their jobs as a result of the storms. Low-interest rate disaster loans will be made available by the Small Business Administration under the authorities of Public Law 93-24, and emergency loan assistance will be made available by the Farmers Home Administration.

Federal relief activities in Kentucky will be coordinated by the Federal Disaster Assistance Administration, Department of Housing and Urban Development, under the direction of Administrator Thomas P. Dunne. Mr. Dunne will designate the specific areas within the State eligible for Federal assistance, based upon Federal and State damage assessments.

Mr. Thomas P. Credle, Regional Director of the Federal Disaster Assistance Administration, HUD Region IV, will be designated as the Federal Coordinating Officer to work with the State in providing Federal disaster assistance under the Disaster Relief Act of 1974, Public Law 93-288.
