

JULY 2, 1975

Office of the White House Press Secretary

NOTICE TO THE PRESS

The President today announced the appointment of Frank G. McKnight, of McLean, Virginia, to be a Member of the Committee for Purchase from the Blind and Other Severely Handicapped. He will represent the Department of Agriculture. He succeeds Tony Baldauf, who retired from the Department of Agriculture in July, 1974.

The Committee was established to direct procurement of selected commodities and services of the Federal Government to qualified nonprofit agencies serving blind and other severely handicapped individuals with the objective of increasing employment opportunities for these individuals.
