

JULY 9, 1975

Office of the White House Press Secretary

NOTICE TO THE PRESS

The President today announced the appointment of two persons as members of the Interstate Commission on the Potomac River Basin. They are:

Daniel J. Snyder, III, of Philadelphia, Pennsylvania, Regional Administrator and Chairman, Federal Regional Council, Environmental Protection Agency, Philadelphia, Pennsylvania. He succeeds Lawrence M. Fisher who has resigned.

Loretta Nimmerrichter, of Waldorf, Maryland, former member of the Maryland House of Delegates, Waldorf, Maryland. She succeeds Eugene Jensen who has resigned.

The Chairman is appointed by the Commission.

The Commission was established in 1940 and addressed itself to pollution control in the Potomac River Basin. Its responsibilities include assisting public and nonpublic organizations; forming and coordinating plans for pollution control; and the conservation and development of water and land resources.
