

JULY 10, 1975

## Office of the White House Press Secretary

NOTICE TO THE PRESS

The President has filmed and recorded a 30 second and a 60 second Bicentennial message, which will be available for use at any time after 5 p.m. The TV networks will be making the film available to their affiliates and to other TV news services today. TV stations which do not have network or other TV service should contact the office of the President's Television Advisor, Robert Mead, Old Executive Office Building, Washington, D.C. 20500. Phone 456-1414. Radio networks and radio news services will be feeding audio versions of the message to their clients today. Those who do not have such services should contact Robert Mead's office.
