

JULY 12, 1975

Office of the White House Press Secretary
(Chicago, Illinois)

NOTICE TO THE PRESS

1. Press Pool #3 has been cancelled. The Air Force One Pool from Chicago to Traverse will act as the pool for everything from the end of the press conference to the arrival at Traverse. That pool will depart 15 minutes after the end of the press conference.
2. Press bus #1 will leave the hotel at the same time as the motorcade. Anyone on press bus #1 should be ready to leave 15 minutes after the end of the press conference.
3. In order to have more time for filing after the press conference the second bus will not depart until 1:15 instead of 12:45 as it is listed in the bible. HOWEVER , it is important that everyone be ready to leave the hotel for the C.S.U. speech at 1:15.
4. For those of you who remember Cincinnati... let me say that it is VERY IMPORTANT that everyone except those on Air Force One Pool leave immediately upon conclusion of Presidential remarks.
5. We will give out excerpts from tomorrow morning's speech on the airplane this afternoon. These are only notes that the President has reviewed in preparation for that speech and the speech will be given from talking points.
6. NOW FOR THE PROCEDURES WE WILL FOLLOW DURING THE PRESS CONFERENCE:

Neil Mehler of the Chicago Tribune will have the first question. A list of people drawn for questions today and the order has been posted. Carl Leubsdorf. Associated Press will say "Thank you" when he considers it appropriate. The follow-up procedures will be in effect - but let's be sure and keep the follow-up on the same subject as the first question.
