

FOR IMMEDIATE RELEASE

JULY 13, 1975

Office of the White House Press Secretary  
( Mackinac Island, Michigan )

---

NOTICE TO THE PRESS

On Tuesday morning, about 8 a.m. President Ford will go to the State Department auditorium to watch TV coverage of the launch of the Soviet Soyuz space craft which will link up with American Appolo.

The President will watch the launch with Ambassador Dobrynin of the Soviet Union and other members of the diplomatic corps and Dr. James Fletcher, Administrator of NASA.

The President will have remarks prior to the launch. Full press coverage will be permitted.
