

POOL REPORT BY P. HACKES ON LAST NITE'S POTOMAC RIVER CRUISE:

Trip from White House to Navy Yard...and return trip entirely uneventful.

Cruise lasted from 7:45PM to about 10:20PM.

No meaningful comment from any of the principals when they debarked. Most of the men were observed in shirt sleeves and/tieless on the sultry night air.

In addition to those listed as having made the cruise the official party was joined by Messrs Zarb, Greenspan and Marsh.
