

Jerry's Here

(Sung to the tune of the Ohio State Fight Song)

Des Moines, Pekin, Minneap-lis, stick it in your ear,
Jerry Ford has come to town to seek a mighty cheer --
rah, rah, rah
Susan Ford may have an affair.
Jerry's checking pigs at the fair.
Hell, hell, Ron Nessen won't tell
If the SALT's shaping up this year.

On, Naomi
butterflies are in the air
On, Naomi
Pins are falling from your hair.
Boo-hoo, boo-hoo for poor detente.

We'll fight the Russkies in Helsinki,
Kick them in the tail.
Ronald Reagan won't upset us --
Have him clapped in jail.
Ha, ha, ha

Hubert Humphrey slipped in the milk
We'll cream Jackson, and all his ilk.
One thing we overlooked --
We left Sheika behind in Vail.

On, pastrami --
Don't they have some food on board?
On, pastrami --
Stews are fun but, Oh Good Lord
Pooh pooh, pooh pooh we're never through.

We'll never make it to November, of the coming year.
Jerry's pace is enervating, we'll all die, we fear.
Blah, blah, blah.
Speeches, parties, fund raisers too
There's no time for sex in this zoo
Hell's bells
What we need now
Is some judge-a-ment; let's go screw.
