

AUGUST 23, 1975

Office of the White House Press Secretary
(Vail, Colorado)

NOTICE TO THE PRESS

The Transportation Office has advised us that all luggage going to Washington, except that needed for the overnight in Chicago, should be placed in the lobby of the Mountain Haus from 9:00 p.m. to 12 midnight tonight. This luggage will remain aboard the press plane until arrival at Andrews Air Force Base.

Luggage needed for Chicago--one suitcase or flight bag per family-- can be put aboard the buses Sunday morning, or brought to Grand Junction in rental cars, and loaded aboard the press plane there.
