

FOR IMMEDIATE RELEASE

September 11, 1975

Office of the White House Press Secretary

THE WHITE HOUSE

TO THE CONGRESS OF THE UNITED STATES:

I herewith transmit the Eighth Annual Report of the National Advisory Council on Economic Opportunity.

The report provides a perspective and recommendations which are, of course, limited to the particular area of interest of the National Advisory Council on Economic Opportunity. Thus, the report does not reflect the Administration's policies which must be formed in the context of a comprehensive review of the total Federal role and capability to assist the poor in light of other competing priorities.
