

STATE DINING ROOM RECEPTION FOR CHAMBER OF
COMMERCE FOLKS..

POOL REPORT:

At precisely 5:19 the President departed the east room followed by the chamber of commerce people to the "train" of April Love courtesy of USMC string band.

In state dining room large number of CC type crowded around and there was some picture taking but your faithful pooler did not eavesdrop (because of the no-sen rule). Instead pooler partook of free eat and observed from distance. Nothing of note. approximately 25 minutes later the president left and returned to the oval office..

respectfully submitted
