

FOR IMMEDIATE RELEASE

NOVEMBER 12, 1975

Office of the White House Press Secretary

THE WHITE HOUSE

STATEMENT BY THE PRESIDENT

Clinton P. Anderson served this Nation with distinction in both the U.S. House and the Senate and as Secretary of Agriculture.

During his long career of dedicated public service, his imprint on this country's policies ranged from conservation to food production to space exploration. He earned the respect of his colleagues in the Congress and in the Executive Branch for his dedication and hard work.

I join his many friends in Washington, his former New Mexico constituents and his family in mourning his loss.
