

NOVEMBER 14, 1975

Office of the White House Press Secretary

NOTICE TO THE PRESS

There will be someone from Dr. Lukash's office in the Press Office on Monday, November 17, at 2:00 p.m. to administer the required shots for the China trip to those who did not go to Paris. At a later date between now and the China trip, shots will be given at the Press Office again by someone from Dr. Lukash's staff to anyone who needs them.

The required shots are:

Smallpox within 3 years
Cholera within 6 months

Recommended, but not required:

Typhoid within 3 years
Tetanus-Diphtheria Booster within 6 years
Polio - Complete series
Gamma Globulin within 6 weeks

Also, those organizations having persons joining the White House Party in Tokyo, must advise us immediately, as these people will require special visas.
