

NOVEMBER 19, 1975

Office of the White House Press Secretary

NOTICE TO THE PRESS

On Monday, November 24, 1975, someone from the staff of Dr. Lukash will administer required shots for the China trip at 2:00 p.m. in the Press Office. The required shots to be administered are Smallpox within 3 years, and Cholera within 6 months. Those shots recommended but not required may be obtained by going through your family doctor.

The recommended shots are:

Typhoid within 3 years
Tetanus-Diphtheria Booster within 6 years
Polio - Complete series
Gamma Globulin within 6 weeks

Visa forms for Japan, Indonesia and the Philippines will be available in the Press Office on Thursday, November 20, 1975. They should be picked up, completed and returned to Judy O'Neil in the Press Office by Friday, November 21, 1975 at 6:00 PM.

Also required for the trip to the Peoples's Republic of China are eight passport photos, signed on the back, either black and white or color. They should be returned with the completed visa forms and your passport.
