EXECUTIVE OFFICE OF THE PRESIDENT

OFFICE OF MANAGEMENT AND BUDGET

WASHINGTON, D.C. 20503

The President

The White House

Sir:

I have the honor to submit for your consideration proposed supplemental appropriations in the amount of \$622,500 for the fiscal year 1976 and in the amount of \$295,000 for the transition quarter for the National Commission on Supplies and Shortages, as follows:

OTHER INDEPENDENT AGENCIES

National Commission on Supplies and Shortages

Salaries and Expenses

For necessary expenses to carry out the provisions of the National Commission on Supplies and Shortages Act (Public Law 93-426), including personal services without regard to the provisions of law regulating the employment and compensation of persons in the Government service, \$622,500: Provided, That this appropriation shall be available only upon enactment into law of authorizing legislation.

For necessary expenses for the period July 1, 1976, through September 30, 1976, to carry out the provisions of the National Commission on Supplies and Shortages Act (Public Law 93-426), including personal services without regard to the provisions of law regulating the employment and compensation of persons in the Government service, \$295,000: Provided, That this appropriation shall be available only upon enactment into law of authorizing legislation.

These proposed supplemental appropriations are needed to enable the National Commission on Supplies and Shortages to report on the possible need for institutional adjustments for the Government in order to deal with future materials shortages.

I have carefully reviewed the proposals for appropriations contained in this document and am satisfied that these requests are necessary at this time. I recommend, therefore, that these proposals be transmitted to the Congress.

Sincerely yours,
