

February 12, 1976

Office of the White House Press Secretary

---

NOTICE TO THE PRESS

The General Telephone & Electric Company is requiring each news organization to order telephones for the St. Petersburg stop on the President's Trip to Florida.

Requests for telephones should be made to GTE at (813) 224-4647. Cost for each telephone will be about \$80 and will be billed directly to each news organization. A request should be made that each phone be labeled with the name of the news organization. All arrangements must be made by Friday, 12 noon.

Locations in St. Petersburg at which the traveling press may want to install phones are:

- St Petersburg/Clearwater International Airport, Main Terminal.  
Press area.
- Williams Park, Second Avenue North at Fourth Street North. Press area.
- Bay Front Center, Bahia Room, Bayshore Drive. (Note: This will be the Press Filing Center)
- Bay Pines Veteran's Hospital. Rear of press platform which is directly outside the Veterans Administration Center.

This requirement will apply only to the St. Petersburg stop on the trip. All other telephone service will be supplied as usual. The President will be in St. Petersburg from 10:15 a. m. on Saturday until 1:45 p. m.
