In Peacock Room at Rossmoor, President shook hands with PFC volunteers and said: " I guess we indicated out there we got some pretty good news from Tennessee and Kentucky. I think we will do well in Oregon and also most satisfying was the great shot in the arm we got in Michigan. What pleased me most about Michigan was not only what the State did but the two districts I served for 25 years went for me 85 per cent. There was one small community, across roads with three churches in rich agricultural area where 595 votes were for me and 2 for my opponent.

I am really getting very optimistic about the situation in California. We have had a wonderful trip, the crowds were very good, ent usiasm was infectious and contagious and inspiring and we are going to make a real fight of it. Betty and I will never let you down."

President worked crowd down in square, kissed a baby which promptly started to wail. Very warm reception, including one man who announced loudly he was a Democrat for Ford. One elderly lady informed the President he was "even more handsome than on TV." One group held up a banner saying "Michigan State Club of Rossmoor welcomes you " He was kissed a couple of times by elderly ladies.
