DORADO BEACH HOTEL POOL REPORT #4

West German Chancellor Helmut Schmidt arrived by helicopter, touching down at 5:39 p.m. He was wearing a big smile and a black European skipper's cap at a rakish angle. Foreign Minister Hans-Dietrich Genscher and Finance Minister Hans Apel, who arrived in a helicopter just ahead of Schmidt, joined the Chancellor in greetings with President Ford, William Simon, Scowcroft, and a late-arriving Henry Kissinger. Ford walked with the Germans to the villa.
