DORADO BEACH HOTEL - SUNDAY MORNING - ADDENDUM 3 to  
POOL REPORT #3

Giscard and party arrived about 12:45 p. m. some 15 minutes ahead of schedule and just after a brief shower. Party came in 3 choppers at usual golf course site ringed by same old palm trees. Ford, Kissinger and Simon greeted Giscard et al.

On bus to copter site, Nessen told us that Ford on way back from church chatted briefly with Miki. Later, Nessen said, the President met Prime Minister Callaghan for 25 minutes and were joined by Simon and Healey for another 35 minutes. They talked outside the U.S. villa. Asked what they talked about Nessen said it was "private" meeting and could not disclose the contents of the discussion. Mr. Nessen said the setting was informal and that there would be a good deal of such bi-lateral discussions.
