Office of the White House Press Secretary
(Tarrytown, New York)

NOTICE TO THE PRESS

The President and Mrs. Ford had dinner last evening with Vice President and Mrs. Rockefeller, at the Japanese House on the estate, returning to their residence at 10:35 p.m.

This morning the President, the Vice President, Laurance and David Rockefeller are playing a round of golf on the estate.

It is also possible that the President will play another round of golf this afternoon, following the dedication ceremony. If so, this would delay the President's departure until late in the afternoon, two hours or more later than called for in the bible. We will keep you advised.
