

DECEMBER 29, 1976

OFFICE OF THE WHITE HOUSE PRESS SECRETARY
(Vail, Colorado)

NOTICE TO THE PRESS

SKI COVERAGE OF THE PRESIDENT

THURSDAY, DECEMBER 30, 1976

The President will be available tomorrow morning for open press coverage, from a preposition location, on the ski slopes. Anyone interested should note the following:

10:00 A.M.

Anyone who has equipment which can not be carried on the chairlift should load that equipment on a snow cat located at the bottom of Chair 6. That equipment will then be transported up the mountain to the preposition location. Gary Wright will accompany this snow cat.

10:30 A.M.

Those who wish to preposition on the mountain should board Chairlift 6 and ride this to the very end. Skis should not be worn. Once you arrive at the end of Chair 6 you will walk a short distance to the preposition location. Dave Fredrickson will accompany the press on Chair 6.

10:45 A.M.

Those in the press ski pool should assemble on skis at the bottom of Chair 6. You will meet the President at the top of the mountain and ski part way down behind the President. Prior to reaching the press the President will stop and the ski pool will move ahead to the press preposition location. The President will make one pass by this location. The ski pool will not follow the President down the mountain.

The press ski pool will be posted. Agent Franz Schwarm will meet the pool at Chair 6 and accompany you during your pool activities.
