

A. M. FOOL REPORT

JANUARY 1, 1977

Ford, attired in blue ski outfit, came out at 9:00 a.m. to ski. He made some comments about "the nice day" and the "beautiful snow." Before leaving on chairlift 16 the President made a joking reference to his difficulty with ski poles the day before, saying to an agent: "Have you got that extra pole for me to drop."
