Office of the White House Press Secretary

NOTICE TO THE PRESS

The President today announced the appointment of John B. Luce, of Fort Smith, Arkansas, as Federal Representative of the United States to the Arkansas-Oklahoma-Arkansas River Compact Commission. This is a new position created by Public Law 93-152.

Mr. Luce is currently retired.

The purpose of the Commission is to negotiate a compact between the States of Oklahoma and Arkansas relating to the distribution and use of the waters of the Arkansas River.
