## DEPARTMENT OF STATE

November 7, 1974

No. 485

REMARKS OF  
THE HONORABLE HENRY A. KISSINGER  
SECRETARY OF STATE  
UPON ARRIVAL IN AMMAN, JORDAN  
NOVEMBER 6, 1974

Ladies and Gentlemen:

I simply wanted to say that it is always a personal joy for me to come back to Jordan to see our friends. I'm making a quick trip through the area to get the judgment of various leaders about prospects of peace, and I want to reiterate that we attach the greatest importance to Jordan as one of the key factors in the area.

Thank you very much.
