Dr. James R. Schlesinger, Secretary of Defense
General George S. Brown, USAF, Chairman, Joint Chiefs of Staff
Donald Rumsfeld, Chief of Staff, White House
Philip W. Buchen, Counsel to the President
John O. Marsh, Counsellor to the President
Lt. General Brent Scowcroft, Deputy Assistant to the President for National Security Affairs

DATE AND TIME: Friday, April 11, 1975
4:30 p.m.

PLACE: The Oval Office
The White House

SUBJECT: "Eagle Pull" -- Phnom Penh Evacuation

President: I would like to be brought up to date on where we are and what we are going to do. We will restrict ourselves to Cambodia. I am optimistic and I think we will make it.

Schlesinger: "Eagle Pull" will commence at 0900 local. They will be on the ground one hour and 20 minutes total. It will be completed by 11:30 p.m. our time if all goes well.

There'll be 33 helicopters, including three for search and rescue. The first twelve will hold 346 Marines.

President: Will Long Boret go?

Kissinger: "Eagle Pull" will collapse the Government. Even if Long Boret doesn't, enough of his people will go that it will collapse.
President: Do we know if there will be much fighting? There will be a crowd gathering, but there is a better than 50% chance of getting out without fighting.

Brown: There will be air cover but it will only return fire if fire is directed on the evacuation and only to protect the evacuation. The helicopters will come in a stream from the Carrier UBON and peel off from hold points. We can do it all in one lift unless there are too many Khmer.

Schlesinger: We must do it all in one lift.

Brown: The Khmer have quite a lift capability of their own.

Kissinger: Do the Khmer think it is over or is this an American decision?

Brown: It is a U.S. decision. Our intelligence thinks tomorrow will be the last day, but probably it would come on the 13th, an auspicious time.

President: There will be air cover?

Buchen: Yes. They will be under positive control all the time and under FAC.

President: By what authority is this being done?

Schlesinger: The rescue operation is to protect American lives, any fire is to protect American lives and Khmer evacuation is incidental to the American evacuation.

Buchen: Yes. The Khmer evacuation is incidental.

Marsh: We would use the same force anyway, wouldn't we?

Schlesinger: If we had gotten it down to 50 Americans, we would have used a much smaller force and got them out in 10 minutes.

Kissinger: I think we should say we are stretching the law so we don't run counter to the President's request of last night.

Rumsfeld: Don't use "Incidental" -- because there are five times as many Khmers and it will be seen as a subterfuge.
Schlesinger: The original list contained 50 Khmer. That has swollen to 1,100. It is there we might be vulnerable.

President: I would think there would be a crowd gathered.

Schlesinger: We can use Red Cross agents. And they have C130's.

Buchen: Why do we take them out then?

Schlesinger: Ask State.

Kissinger: It was assumed that the airfield would be unuseable. We didn't want to pull the plug by talking to them about evacuation.

[The statements to be read and given to Congress were reviewed.]

President: There is no connection between this and the Vietnam evacuation. There is no connection at all. This is a unique situation.

Brown: Unless we give orders, the Marine Commander may load up with Khmer and leave the Marines, thus necessitating a second flight.

President: I agree. The Commander should be told that all Americans must be aboard the last chopper.
I would like to be brought up to date on when we enter what area of Paris. We will restrict ourselves to Cambodian zone of operation and I think we will win it.

Eagle will start eventually at 0900 and arrive around 1200 to 1230 pm and time if all go well.

28 hours (6 pm 5 + R)

Will have battle go?

If Eagle will collapse against GIs, then if GIs don't fall, rest of the people will fall. Will collapse.

Don't know there will be much fighting; there will be a second gathering, but with 70-80% chance of getting out of fighting. How there will be early but it will only return fire if threatened. Not to protect a town. Eagle will come in a stream from Cavalier Udon and peel off from both points. We can do it all in left without many K's.

We must do it all on our own.

If this turns out to be an American decision tomorrow is last day but probably it would
I: There will be air cover.
K: Yes. They will be under fire. We will be in the air.
Scha: Suppose you protect us from any fire. To protect us likewise. If there is no incident to our lives.
Roda: Yes. The Khmers are coming.
K: Would we need to password anyone with us?
Scha: If we had gotten it down to 50, we would have saved much trouble. That is yet.
K: I think we should try a stretch. We are not sure. You have any property in Phnom Penh? Don't save incident. Because there are 5 times as many Khmers. It is a riddle.
Scha: The original list contained 50 Khmer. That has been reduced to 15. It is that we might discriminate.
K: I would think there would be a password.
Scha: We can use a C agent. And they have 15 women do we take them on the train.
Scha: At the station.
K: It was assumed that an airfield would be available. We didn't want to pull a plane to Phnom Penh about discrimination. (Statements to be read to gram to copy)
K: There is no connection but this is a
VN evacuation. There is no evacuation at all. This is a crisis situation.

Please understand, the Marine Corps may land up w/Korean + South Vietnamese, thus necessitating a second flight.

I agree. The Chr should be told that all Americans must be abroad a last chance.
