SUBJECT: "Eagle Pull" -- Phnom Penh Evacuation

President: I would like to be brought up to date on where we are and what we are going to do. We will restrict ourselves to Cambodia. I am optimistic and I think we will make it.

Schlesinger: "Eagle Pull" will commence at 0900 local. They will be on the ground one hour and 20 minutes total. It will be completed by 11:30 p. m. our time if all goes well.

There'll be 33 helicopters, including three for search and rescue. The first twelve will hold 346 Marines.

President: Will Long Boret go?

Kissinger: "Eagle Pull" will collapse the Government. Even if Long Boret doesn't, enough of his people will go that it will collapse.

President: Do we know if there will be much fighting? There will be a crowd gathering, but there is a better than 50% chance of getting out without fighting.

Brown: There will be air cover but it will only return fire if fire is directed on the evacuation and only to protect the evacuation. The helicopters will come in a stream from the Carrier UBON and peel off from hold points. We can do it all in one lift unless there are too many Khmer.

Schlesinger: We must do it all in one lift.

Brown: The Khmer have quite a lift capability of their own.

Kissinger: Do the Khmer think it is over or is this an American decision?

Brown: It is a U.S. decision. Our intelligence thinks tomorrow will be the last day, but probably it would come on the 13th, an auspicious time.

President: There will be air cover?

Buchen: Yes. They will be under positive control all the time and under FAC.

President: By what authority is this being done?

Schlesinger: The rescue operation is to protect American lives, any fire is to protect American lives and Khmer evacuation is incidental to the American evacuation.

Buchen: Yes. The Khmer evacuation is incidental.

Marsh: We would use the same force anyway, wouldn't we?

Schlesinger: If we had gotten it down to 50 Americans, we would have used a much smaller force and got them out in 10 minutes.

Kissinger: I think we should say we are stretching the law so we don't run counter to the President's request of last night.

Rumsfeld: Don't use "incidental" -- because there are five times as many Khmers and it will be seen as a subterfuge.

Schlesinger: The original list contained 50 Khmer. That has swollen to 1,100. It is there we might be vulnerable.

President: I would think there would be a crowd gathered.

Schlesinger: We can use Red Cross agents. And they have C130's.

Buchen: Why do we take them out then?

Schlesinger: Ask State.

Kissinger: It was assumed that the airfield would be unuseable. We didn't want to pull the plug by talking to them about evacuation.

[The statements to be read and given to Congress were reviewed.]

President: There is no connection between this and the Vietnam evacuation. There is no connection at all. This is a unique situation.

Brown: Unless we give orders, the Marine Commander may load up with Khmer and leave the Marines, thus necessitating a second flight.

President: I agree. The Commander should be told that all Americans must be aboard the last chopper.
