MEMORANDUM FOR: SECRETARY KISSINGER

FROM:

R. H. SOLOMON *RHS*J. A. FROEBE *JAF/12/3*J. D. JENNINGS *JDJ*

SUBJECT:

.....
.....

In our memorandum of January 25, 1975 to you on this question, we recommended that we approach the ROC immediately to ask

 and take appropriate remedial action to prevent such activities in the future. At Tab A is a draft State cable, which has been cleared with Justice, which instructs Ambassador Unger to broach this matter with Premier Chiang Ching-kuo (CCK) on February 3. The principal points of the representation to CCK would be:

--

.....

-- That we are confident that the ROC will bring these efforts to a halt immediately, and will ensure that such illicit activity is not repeated in the future.

-- That such schemes can do inestimable damage to our relationship,

.....

-- That we will not prosecute the U.S. citizens involved, and will not otherwise publicly disclose this incident, in order to save embarrassment for both sides.

Henry -

Perhaps I don't understand, but I can't get very excited about this.

But if you think we must stop it, I see no reason for a ham-handed "démarche." I would think a better approach to be an informal, "private" word that we understand something may be under way and we think it would not be helpful to attempt such a move.
