ANNEX TO EGYPT-ISRAEL AGREEMENT

Within 5 days after the signature of the Egypt-Israel Agreement, representatives of the two Parties shall meet in the Military Working Group of the Middle East Peace Conference at Geneva to begin preparation of a detailed Protocol for the implementation of the Agreement. The Working Group will complete the Protocol within 2 weeks. In order to facilitate preparation of the Protocol and implementation of the Agreement, and to assist in maintaining the scrupulous observance of the ceasefire and other elements of the Agreement, the two Parties have agreed on the following principles, which are an integral part of the Agreement, as guidelines for the Working Group.

1. Definitions of Lines and Areas

The deployment lines, areas of limited forces and armaments, Buffer Zones, the area south from Line E and west from Line M, other designated areas, road sections for common use and other features referred to in Article IV of the Agreement shall be as indicated on the attached map (1:100,000 -U.S. Edition).

2. Buffer Zones

(a) Access to the Buffer Zone will be controlled by the UNEF, according to procedures to be worked out by the Working Group and UNEF.

(b) Aircraft of either Party will be permitted to fly freely up to the forward line of that Party. Reconnaissance aircraft of either Party may fly up to the middle line of the Buffer Zone on an agreed schedule.

(c) In the Buffer Zone, there will be established under Article IV of the Agreement an Early Warning System entrusted to United States civilian personnel as detailed in a separate proposal, which is a part of this Annex.

(d) Authorized personnel shall have access to the Buffer Zone for transit to and from the Early Warning System; the manner in which this is carried out shall be worked out by the Working Group and UNEF.

3. Area South of Line E and West of Line M

(a) In this area, the United Nations Emergency Force will assure that there are no military or para-military, or (irregular forces) of any kind, military fortifications and military installations; it will establish checkpoints and have the freedom of movement necessary to perform this function.

(b) (Unarmed) Egyptian civilians and third country civilian oil field personnel shall have the right to enter, exit from, work, and live in the above indicated area, except for Buffer Zones 2A, 2B and the UN Posts. Egyptian civilian police shall be allowed in the area to perform normal civil police functions among the civilian population in such numbers and with such weapons and equipment as shall be provided for in the Protocol.

(c) Entry to and exit from the area, by land, by air or by sea, shall be only through UNEF checkpoints. UNEF shall also establish checkpoints along the road, the dividing line and at other points, with the precise locations and number to be included in the Protocol.

(d) Access to the airspace and the coastal area shall be limited to unarmed Egyptian civilian vessels and unarmed civilian helicopters and transport planes involved in the civilian activities of the area as agreed by the Working Group.

(e) Israeli vessels will be permitted to sail and Israeli aircraft to fly along the median line of the Gulf of Suez in an agreed manner.

(f) Israel undertakes to leave intact all currently existing civilian installations and infrastructures.

(g) Procedures for use of the common sections of the coastal road along the Gulf of Suez shall be determined by the Working Group and detailed in the Protocol.

4. Aerial Surveillance

There shall be a continuation of aerial reconnaissance missions by the U.S. over the areas covered by the Agreement (the area between lines

.../3

F and K), following the same procedures already in practice. The missions will ordinarily be carried out at a frequency of one mission every 7-10 days, with either Party or UNEF empowered to request an earlier mission. The USG will make the mission results available expeditiously to Israel, Egypt and the Chief Coordinator of the UN Peacekeeping Mission in the Middle East.

5. Limitation of Forces and Armaments

(a) Within the Areas of Limited Forces and Armaments (the areas between lines J and K and lines E and F) the major limitations shall be as follows:

- I) Eight (8) standard infantry battalions
- II) Seventy-five (75) tanks
- III) Thirty-six (36) artillery pieces, including heavy mortars, whose range shall not exceed twelve (12) km. (above 120 mm)
- IV) The total number of personnel shall not exceed eight thousand (8,000).
- V) Both Parties agree not to station or locate in the area weapons which can reach the line of the other side.
- VI) Both Parties agree that in the areas between lines J and K, and between line A (of the Disengagement Agreement of January 18, 1974) and line E, they will construct no new fortifications or installations for forces of a size greater than that agreed herein.

(b) The major limitations beyond the Areas of Limited Forces and Armament will be:

- I) Neither side will station nor locate any weapon in areas from which they can reach the other line.

.../4

II) The Parties will not place anti-aircraft missiles within an area of ten (10) kilometres east of Line K and west of Line F, respectively.

(c) The UN Force will conduct inspections in order to ensure the maintenance of the agreed limitations within these areas.

6. Process of Implementation

The detailed implementation and timing of the redeployment of forces, turnover of oil fields, and other arrangements called for by the Agreement, Annex and Protocol shall be determined by the Working Group, which will agree on the stages of this process, including the phased movement of Egyptian troops to line E and Israeli troops to line J. The first phase will be the transfer of the Abu Rodeis oil fields and installations to Egypt within .... days. Implementation shall be completed within .... months after signature of the Protocol.
