Dear Mr. President:

A sad day for our country. We extend sincere sympathy to you and your family. It never should have happened, and it is still hard to believe.

You made an outstanding record in the White House, and this nation shall forever be grateful for your capable and dedicated leadership during a most difficult period. You richly deserved a term of four years and the nation should hang its head in shame over the results last Tuesday.

Colorado came thru in good shape and gave you a majority of around 125,000. We hope you will continue to visit us - we are proud of you.

Respectfully,

J. Edgar Chenoweth
