Dear Mr. President:

This is just a short note to express our sincerest condolences on the loss of your bid for election.

We have appreciated the support which you have shown both to the National Space Club and to the nation's space program during your term as President.

If in the coming years there are any ways in which we can return the kindnesses and support which you have shown us, please do not hesitate to ask.

Sincerely,

Harry S. Dawson, Jr.
President
