MEMORANDUM FOR THE PRESIDENT

FROM: BO CALLAWAY *Bo*

SUBJECT: Weekly Report #17, Week Ending October 31, 1975

I. GENERAL CAMPAIGN ORGANIZATION

The PFC's top staff positions have been filled and the Committee's major organization completed. Stu Spencer has agreed to remain in Washington in order to serve as Deputy Campaign Chairman for Political Organization. Bob Marik was hired on Friday to become Deputy Chairman for Administration and will begin work in this new position on November 10. Marik brings an impressive background of government, private sector, and political experience to the Committee. In 1972, he served as Director of Planning and Research for CRP.

Former Kansas Lieutenant Governor and 1974 Bob Dole campaign director Dave Owen has been hired as Regional Coordinator for the Plains States. With Owen's appointment, all regional field positions have been filled.

II. STATE CAMPAIGN ORGANIZATION

PFC State Chairmen are now on board in twenty-one States with appointments pending in five additional States. A list of the Chairmen is provided at Tab A. A rundown on activity in several areas follows.

1. Nebraska -- Bill Barrett of Lexington has accepted the position of State PFC Chairman. From 1972-74 Barrett served as Chairman of the Republican State Central Committee. He is highly regarded as a centrist with good rapport with both wings of the State GOP.

2. Florida -- I visited the State last week along with B. Oglesby, the PFC field man who has been assigned to Florida on an almost exclusive basis. Visits with Republican leadership in approximately six communities provided very positive indications of support, although Reagan sympathies were evident among some of the participants. Miami Herald editor, Don Shoemaker, made the observation

that we are getting the "right people" involved with the State PFC, and Reagan will be making a major error if he permits his campaign to focus on the normal right-wing issues and limits his base of supporters to this faction. PFC organizational activities are clearly moving ahead well.

3. New York -- Dick Mastrangelo, in traveling to the State, reports that Republican State Chairman Dick Rosenbaum has initiated early action toward assuring a favorable Convention delegation. Rosenbaum does not currently anticipate a major Reagan challenge in New York; however, a strong effort is being made to control the delegate process should Reagan activity develop.

4. Illinois -- Skip Watts and Bruce Ladd met with State PFC leadership to review strategy and budget considerations. All but five of the 24 Congressional Districts now have campaign chairmen in place, and District campaigns will be launched in unison once appointments in these five areas are completed.

III. FINANCE

Dave Packard's resignation as Finance Chairman was announced on Thursday. Ed DeBolt has agreed to leave his political consultant role with the Committee for the next two weeks in order to give full-time attention to the activities of the Finance Committee. In addition, Finance Vice Chairman Max Fisher will be spending a greater portion of his time on Finance affairs during this interim period pending the selection of a new Chairman.

Approximately \$88,964 was received last week for a total to date of \$988,375.85, and with approximately \$441,000 now qualifiable for matching funds. Kansas continues to lead all states in reaching their respective quotas with 36.8% of their quota raised. A copy of the Treasurer's Report is attached at Tab B.

IV. LEGAL

Bob Visser and Tim Ryan reviewed the state legal aspects of the delegate selection process with RNC General Counsel Bill Cramer and are coordinating their efforts with Jack Stiles.

A meeting with the FEC legal staff was held regarding payment of Presidential travel expenses by the RNC, and Bob is of the opinion that the FEC will decide in the near future that such expenditures may not be borne by the RNC following a certain date (i.e., probably January 1-15). Although several FEC staff members are considering

the retroactive application of any such ruling, a decision of this nature seems unlikely.

V. ELECTED OFFICIALS CONTACT PROGRAM

Leo Thorsness has contacted approximately 80 Republican mayors and 1,000 state legislators to date to solicit their support for your election. In addition to obtaining endorsements, Thorsness is seeking to establish open and continuing communication with these officials to get their input and active support.

VI. YOUTH TELEPHONE BANK

For the past several weeks, a telephone program has been conducted to contact young people around the nation who have demonstrated political leadership through their involvement in previous campaigns and/or Party posts. The preliminary results are very encouraging. Of the 548 completed calls, 404 individuals have indicated their willingness to work in your behalf, and 150 of these have volunteered to compile and send to our attention lists of other young voters.

These supporters will be brought to the attention of PFC State Chairmen and will be a key factor in our later formation of a program involving young people.
