## MEMORANDUM FOR THE PRESIDENT

FROM: ROGERS C. B. MORTON

SUBJECT: WEEKLY REPORT #41 - WEEK ENDING MAY 7, 1976

### State Campaign Organizations

Alaska Discussions are underway regarding our state convention. There is some confusion regarding Senator Stevens' favorite son candidacy. Our delegate strength appears to be 15 of 19 at present.

Arizona There is a possible grounds for challenging the state delegation which is currently being investigated by our legal office.

Arkansas We are attempting to minimize cross-over voting by stressing that Democrats in effect will be joining the Republican Party by doing so. We are utilizing Congressman Hammerschmidt both personally and in a mailing to maximize our vote in the crucial 3rd District. In addition, close contact is being maintained with older voters and the Jaycees; both groups will be influential.

Colorado A state PFC leadership meeting was held to implement our organizational plans for precinct meetings which are underway. Although the Reagan chairman continues to claim a victory at the caucus, there is no evidence to substantiate this claim.

Idaho Phone banks are in operation in Boise and Idaho Falls. A headquarters was opened in Idaho Falls, and there will be an additional office in the eastern half of the state.

Reagan has appeared on television in campaign spots addressing gun control, the Panama Canal, and government bureaucracy. Reagan is in the state today, (May 11) and it is reported that they will start newspaper ads on May 17 and continue them through May 25.

Maryland Recent primary results have caused some slippage here. Our telephone campaign is underway, and we have a goal of 25,000 calls before next Tuesday. A 220,000-piece mailing was sent last week, and this week we will mount a strong press and public relations effort.

The Reagan organization's state chairman, Don Devine, has announced that they expect a budget of close to \$100,000 in Maryland. They have

a phone bank campaign underway in Montgomery and Prince George's Counties, and have sent select mailings in other areas of the state. Their strength and concentration of effort is on the Eastern Shore, with little activity in the western part of the state. A reasonably heavy media effort is expected from them this coming week.

Michigan The Advocates program is operating well here, with Rogers Morton, Senator Griffin, Governor Milliken, Tom Ford, Congressman Esch, and Secretary Kleppe having appeared at functions this past week. The phone campaign has now completed 31,921 calls, and is averaging more than 6500 per day. A "truth squad" effort is also underway to focus upon the issues in a series of press conferences during the final days of the campaign.

Montana A state headquarters office was opened in Great Falls. Approximately 4,600 copies of the campaign newsletter were distributed state-wide, and we are organizing legal assistance to attend county conventions and insure proper parliamentary procedures are followed.

Nevada We have a phone campaign that has made over 10,000 calls to date. We are trying to focus more effort on media exposure and issue awareness. Reagan is scheduled to visit here May 19th.

New Mexico At this time the total number of delegates to the state convention is 803, with Reagan holding a 2-1 edge. The state convention will elect 3 delegates from both Congressional Districts and 15 at-large delegates. We are currently exploring possibilities of challenging at the local level.

Ohio The Reagan challenge in the 2nd District has been denied by the courts, which means there are 15 contested and 8 uncontested districts. The Reagan organization has announced plans for Reagan to spend seven days in the state. We have been encouraging county GOP groups to do mailings on our behalf similar to a 100,000 piece mailing that has been planned by the Cuyohoga County GOP. A home phoning effort is scheduled with our available lists, but we will have limited phoning capacity due to budget constraints.

Oregon There has been slippage here as a result of the Texas and Indiana primaries. It appears to be an even race now, with our weaknesses in Salem and Eugene.

Tennessee We are deploying our local advocates, Senator Baker, Congressmen Quillen and Beard, ex-Governor Winfield Dunn, and former Congressman Kuykendall, to get out the vote, and to discourage Democrats from thinking of a cross-over vote. We are also planning a strategic media campaign in areas west of Nashville.

Texas An analysis of the degree of the Democratic cross-over vote is underway.

Utah Mass meetings and precinct caucuses are the week of May 17th. A phone effort and special interest group contact program is underway to maximize attendance of our supporters at these meetings. The Reagan organization is pursuing a similar strategy to their efforts in Arizona and Texas by appealing to right-wing groups.

Trucking is the second largest state industry, and there is considerable opposition to deregulation.

Washington Dick Mastrangelo has gone to Washington from national headquarters to coordinate our effort here.

West Virginia Our final efforts here have focused on a Congressional tour of the northern part of the state on Monday, radio advertisements, and contacts with local organization people. The Reagan organization conducted a media blitz, a get-out-the-vote effort in rural areas, and a slating operation in some areas of the state. The majority of elected delegates should be responsive to Governor Moore when chosen.

Wyoming The results of this state convention were: Ford-5; Reagan-12.

#### Finance Committee

Texas went over the top this week in attaining their national quota. As shown on the Finance Thermometer, receipts through May 3rd put us at 68.4% of our goal.

#### Campaign '76

Two advocate radio commercials were produced this week for use in Michigan featuring Senator Griffin and Governor Milliken.

#### Press

Thirty-five radio actualities were prepared and fed to Texas, Indiana, Alabama, Georgia, West Virginia, and Nebraska using The President, West Virginia Governor Arch Moore, Senator Carl Curtis, Rogers C. B. Morton, General William Westmoreland, and Senators Goldwater and Tower. 395 actual feeds were completed.

#### Treasurer's Report

A total of \$436,763.20 was received in contributions this past week, bringing to \$9,243,738.70 the amount of money received to date. There is currently a balance of \$245,181.05 on hand. A full Treasurer's Report is attached at TAB B.
