Thurmond I getting very concerned about Budget Comtee & their attitude on Def budget. They are hitting def in favor of social prog. It would help if we could get some w/ A & DOD help w/ a Regs on a Budget Comtee.

P I know Bellman is strong on def, but he has a strong emphasis of interest also there is there

McClure Bell(?) & I are only ones who consistently vote for ~~the~~ support DOD. We usually get 3 Demos, but we need other votes

Thurmond If you could have new Sec Def & have them ~~together~~ to dinner.

P The 7.5 mil cut was the def. And if we don't get a SALT treaty, we will have to ask for more.

Thurmond It too bad that DOD retirement can't be taken out of Def Budget

Brack There are a # of others like that. If we could move some of them out it some would help.

Thurmond I think these attacks on Dymov will continue unless we make a concerted effort.

P Our people are doing all they can on the bill. When does it come to the floor.

Brack Next week. I think we will use that why I think we should try to move some of these items out of a DOD budget.

McClure I think if OMB would work w/ our people

Poul-

We might get it moved out.

Scott

I think we must raise a rail retirement system. It is just to big a burden. It is a long term prob. & we can't move quickly but we have to do something. To me it is a part of a rail. costs & should not be separated out.

P

There is a bill to stop G. B. M. That was ^{orig} prohibited on enactment & that is no longer exist. The House passed it & I think it should be ~~passed~~ pushed.
