

P/Sen. Case

2 Routes

(1) Increase in MAP for costs.
(Amount 150 mil.)

Case suggested or supplemented if we agreed.

(2) Clean up antit. bill

Where is there a supplemental in a Cong?
If we could find one which is thru
the House, we could add it in a Senate,
then get a House

Took to Jim about what a surprise
figure would be.
CP said maybe 200 - but no
requirements.
