President Gerald Ford
White House
Washington, D.C.

Dear President Ford:

This fall the community of Saline, Michigan will plant a bicentennial tree and bury a time capsule that will be opened on July 4, 2026. Would you be so kind as to pen a short letter to the residents of Saline in the year 2026? A copy of the letter will be saved on microfilm in our library and the original letter will be buried in the capsule. Thank you for considering this request. My wife and I wish you the best of luck at the convention and in November.

Sincerely,

Earl G. Laughrey
