

THE WHITE HOUSE

WASHINGTON

March 25, 1975

ADMINISTRATIVELY CONFIDENTIAL

MEMORANDUM FOR: BRENT SCOWCROFT
FROM: JERRY H. JONES

The following notation was returned in the President's outbox to you:

-- What will European Security Agreement do to our relations with the Baltic groups -- Latvia, Estonia and Lithuania -- who are so friendly and dedicated?

These groups seem to imply it will confirm USSR permanent control. I recognize the facts of life but does our sign confirm this in writing?

If so, I can visualize the Senate debating this with great emotion, etc.

Please follow-up with the appropriate action.

Thank you.
