Gerald R. Ford Congressional Papers: Photographs, (1933) 1949-1973

Series Description

The series contains 5100 photographs (280 color). Included are photographs of Gerald Ford making public appearances; meetings with fellow members of Congress, VIPs, constituents and the general public; travelling abroad on official business; and of Mrs. Ford and the Ford family. Many of the photographs are in the public domain.

The photographs are arranged chronologically through the first 17 boxes. Boxes 18 to 20 are arranged as a parallel file for photographs removed from the Congressional Papers textual holdings. The remaining boxes contain framed photographs removed from the walls of the Minority Leader's office and late accessions.

Additional Congressional era photographs can be found in the Ford Scrapbooks Photographs, the Ford Personal Papers Audiovisual Materials, and Ford Vice Presidential Papers Photographs.
