Gerald R. Ford Vice Presidential Papers: Photographs, (1933) 1973-1974

Series Description

The series contains 3385 photographs. Many were utilized for background information or sent to the Vice President as gifts following an appearance. Others document the activities of the Vice President in Washington and elsewhere. The first 33 folders are arranged as a parallel file for photographs removed from the Vice Presidential Papers textual series. The remaining photographs are arranged chronologically.

Additional photographs from the Ford Vice Presidency can be found in the Ford Vice Presidential Photographs series of the White House Photographic Office collection and in Box 16 of the Ford Scrapbooks Photographs.
