

SUB-COLLECTION C.

PPO CENTRAL FILE

Central filing system for files related to Presidential appointments arranged by department, agency, board, and commission, and by name. Also included are Presidential Decision Memoranda and congressional correspondence files.

SERIES DESCRIPTIONS

Containers

Series

C1-C32 ***PPO Central File: Job Files (Departments), (1969-73) 1974-77. (12.8 linear feet)***

This series consists of files related to appointments within Federal departments. The files contain appointment clearance requests, resumes, correspondence, press releases, appointment information (authority, method, number, term, and salary), biographical statements, requests to the President to appoint, letters of resignation, and background information on boards and commissions within departments.

Arranged alphabetically department.

This series is closed because it contains extensive personal privacy information. Researchers may contact the Library for information about how to appeal the access restriction decision of individual documents or files.

C33-C60 ***PPO Central File: Job Files (Agencies, Boards, and Commissions), (1965-73) 1974-77. (12.3 linear feet)***

This series consists of files related to appointments within Federal agencies, boards, and commissions. The files contain appointment clearance requests, correspondence, press releases, appointment information (authority, method, number, term, and salary), biographical statements, requests to the President to appoint, letters of recommendation, background information on boards and commissions, and Presidential decision memorandums.

Arranged alphabetically agency, board, or commission.

This series is closed because it contains extensive personal privacy information. Researchers may contact the Library for information about how to appeal the access restriction decision of individual documents or files.

C61-C199 ***PPO Central File: Name File, 1974-77. (55.6 linear feet)***

This series consists of files related to individuals appointed to Presidentially-appointed positions. The files include appointment clearance requests, resumes, correspondence, press releases, appointment information (authority, method, number, term, and salary), and biographical statements.

Arranged alphabetically by name.

This series is closed because it contains extensive personal privacy information. Researchers may contact the Library for information about how to appeal the access restriction decision of individual documents or files.

SERIES DESCRIPTIONS

<u>Containers</u>	<u>Series</u>
-------------------	---------------

C200-C219	<i>PPO Central File: Presidential Memoranda, 1974-77. (8.0 linear feet)</i>
-----------	--

This series consists of Presidential decision memorandums, along with supporting documents, related to nominations sent for Presidential approval. The document case often includes a cover memorandum, appointment clearance request, biographical information, resumes, and relevant correspondence.

Arranged chronologically.

Review of this series for opening is not yet complete, but if you contact the Library in advance the staff may be able to open specific individual folders for research use.

C220-C252	<i>PPO Central File: Congressional Correspondence, 1974-77. (13.2 linear feet)</i>
-----------	---

This series consists of letters from Members of Congress, primarily related to recommendations for political appointments, and includes resumes and biographical information. Occasionally, the letters relate to personnel matters in general.

Arranged alphabetically by name.

Review of this series for opening is not yet complete, but if you contact the Library in advance the staff may be able to open specific individual folders for research use.
