

**SUB-COLLECTION G.**

**NATURAL RESOURCES STAFF FILES**

J. Curtis Fee headed this staff from August 1974 through December 1975.

The Natural Resources staff was responsible for identifying, recruiting, evaluating, and proposing Presidential appointment candidates for such departments as Agriculture and Interior, and such agencies as the Environmental Protection Agency (EPA) and Federal Energy Administration.

## SERIES DESCRIPTIONS

### Containers

### Series

G1-G19

***Natural Resources Staff Files: Presidential Appointments File, (1967-73) 1974-77. (7.6 linear feet)***

This series consists of the working files related to Presidential appointments to positions within departments, independent agencies, boards, and commissions. The files include notes on candidates, decision memorandums, position descriptions, background information on the organization and positions, biographical information, resumes, and letters, and recommendations and assessments of candidates from White House staff, Republican Party officials, and Members of Congress.

Arranged alphabetically by institution name.

*Review of this series for opening is not yet complete, but if you contact the Library in advance the staff may be able to open specific individual folders for research use.*

G20-G45

***Natural Resources Staff Files: Name File, (1963-73) 1974-77. (10.4 linear feet)***

This series consists of correspondence and resumes, primarily related to individual seeking, recommended, or under consideration for a Presidential appointment.

Arranged alphabetically by name.

*This series is closed because it contains extensive personal privacy information. Researchers may contact the Library for information about how to appeal the access restriction decision of individual documents or files.*

G46-G52

***Natural Resources Staff Files: Subject File, (1969) 1974-77. (2.8 linear feet)***

This series consists of vacancy status reports, background information on Presidential appointments to boards and commissions, appointment decision memorandums, material related to appointments, incoming telephone logs, and administrative records.

Arranged alphabetically by subject.

*Review of this series for opening is not yet complete, but if you contact the Library in advance the staff may be able to open specific individual folders for research use.*

## SERIES DESCRIPTIONS

### Containers

### Series

G53-G54

***Natural Resources Staff Files: Memos & Letters Chronological File, 1974-75. (0.8 linear feet)***

This series consists of outgoing letters and memorandums. The correspondence includes memorandums on recommended candidates sent to departmental and agency executives for their consideration, internal White House and Presidential Personnel Office memorandums, and letters to prospective Presidential appointees.

Arranged chronologically.

*Review of this series for opening is not yet complete, but if you contact the Library in advance the staff may be able to open specific individual folders for research use.*
