Trip File, 1966-73.

(Boxes N1-N26, 10.4 linear feet)

Correspondence, memoranda, telegrams, programs, invitations, speech drafts and notes, maps, fact sheets, contracts and receipts relating to business (and vacation) trips taken by GRF. The trip file contains information on travel and contractual arrangements, correspondence concerning appearances, program planning, reference materials, and trip expenses. The Trip File is arranged in strict chronological order and included GRF appearances at political rallies and fundraisers, parades, fairs, symposia, dedications and other civic occasions, and association meetings.

Although most file folders contain documents relating to a single trip, some folders may combine several stops, this is especially true of home trips. The Trip File was not maintained as a separate file series until 1966. Some trip material for earlier years may be found scattered throughout the General and Case File.

Compiled by Christine Ferretti, March 1979.

Box N1 - Trip File

Status	Title
