Truman Remarks

History evaluates the greatness of a man's deeds, but his ~~fix~~ friends measure the greatness of his character. That Harry Truman's homefolks love and honor his memory is a special tribute to the character and integrity of the "Man from Independence."

My family admires Mr. Truman and his "Bess" for their down-to-earth warmth and ~~sincerity~~ sincerity--- which are still remembered fondly in Washington by ~~all~~ all who knew them.

Senator Symington, ~~to~~ to be honored in Missouri by those ~~we~~ who know you best surely brings you the same joy it did ~~Harry~~ the late President. Your long and productive career of public service has been full of rewards and honors, and I'm deeply pleased to present you with the Harry S Truman Public Service Award---which I know has great meaning for you. My congratulations.
