RECOMMENDED TELEPHONE CALL

TO Congressman Tim Lee Carter (Kentucky, 5th District)
225-4601

DATE Prior to May 25 primary in Kentucky

RECOMMENDED BY Rog Morton, Stu Spencer

PURPOSE To thank the Congressman for his April 5th
endorsement and for the assistance of his
organization.

BACKGROUND Kentucky's primary is May 25; 37 delegates will
represent the state at the National Convention.

Kentucky is a tough state but the organization is now
starting to come around and things are looking better.
Cong. Carter publicly endorsed the President at a
press conference on April 5; has his entire
organization in the 5th District working for the
President. This is the most Republican District
in the state.

PFC Chairman: Hal Rogers
PFC Finance Chairman: Joseph E. Johnson III

TOPICS OF Thanks for your endorsement.

DISCUSSION

I would appreciate your appraisal of where things
stand in Kentucky.

What can we do to improve our efforts?

Please convey my thanks to the people in your
District who have worked so hard in building up
an efficient and effective organization.

April 23, 1976

KENTUCKY

PFC got a late start in Kentucky. There is now an excellent team headed up by Hal Rogers and Huda Jones. National Committeeman Ed Middleton has been out in front for the President from the beginning and has been very effective in combating the Reagan forces in the State Executive Committee meetings.

Congressman Tim Lee Carter is publicly supporting the President and made a public announcement on April 5th.

PFC is running the campaigns in Tennessee and Kentucky in tandem because they are on the same day and the media from Tennessee will reach all of southern Kentucky.

There are some reports that former Governor Nunn feels he may have jumped onto the Reagan bandwagon too soon.

It is felt that we will do better in the delegate count than originally thought.

RECOMMENDED TELEPHONE CALL FROM THE PRESIDENT

TO : MR. BOB LIST
Attorney General in Nevada
(702) 885-4170 - office
(702) 882-3165 - home

May 20th
Betty - Reno
Mike - Las Vegas

DATE : Thursday, May 6 -- afternoon (office) evening (home)

RECOMMENDED BY: STU SPENCER *SS*

PURPOSE : Mr. List has told our people in Nevada that he is ready to publicly endorse the President but wants to speak with him personally first.

Bob List
come with me to Nevada

BACKGROUND : Mr. List is a personal friend of the President's and has always supported him privately. He is concerned about his political career in Nevada because of Senator Laxalt's influence in the state. The Attorney General has a great deal of influence himself and his endorsement will greatly help the President's campaign. It is important that the President call Mr. List today before he has time to reconsider.

- TOPICS OF DISCUSSION :
1. I understand that you feel you are ready to support and publicly endorse my candidacy.
 2. Your endorsement will help us not only in the state of Nevada but elsewhere in the nation.
 3. We feel that with your help we can win Nevada. The latest telephone polls have shown I have a substantial lead over my opponent.
 4. Thank you for your help. I will need your advice and counsel in the weeks ahead.

Note: It is suggested that Mr. List be offered a position on the National Advisory Committee to help give him the same kind of clout that Laxalt has in Nevada.

THE WHITE HOUSE
WASHINGTON

RECOMMENDED TELEPHONE CALL

TO: Mrs. Lloyd Royal at her home in
Sarpy County, Nebraska
(402) 253-2686 (near Omaha)

DATE: Immediately

RECOMMENDED BY: Jeanne Holm
Mike Duvall
Bill Baroody

PURPOSE: To convey the President's interest in the
problem of discrimination against widows
in estate tax laws and to advise her that
he has recommended corrective legislation
to the Congress.

BACKGROUND: The purpose of the inheritance tax laws
are to prevent the passing of undue awards
between generations. This purpose is not
being met by taxing transfers between husbands
and wives.

Five years ago, Mrs. Royal learned that
if something were to happen to her husband
she would probably have to mortgage her
farm to pay the estate tax (see attached).

She spearheaded a crusade to arouse public
sentiment to get rid of the "widows tax".

The Commission on International Women's
Year recommended corrective action. On
March 22, 1976, Secretary Simon presented
your estate tax recommendations to the
Congress which would eliminate the transfer
tax between spouses altogether.

TOPICS OF
DISCUSSION:

1. I want you to know how concerned I am
about the problems of the "widows tax" and
that as a result of your efforts, it has
been called to my attention.

Dick -
she's a
Democrat
according to
Jeanne. I
strongly recom-
mend making
the call
as an
appeal to
the women
vote.
Mike

TOPICS OF DISCUSSION:

2. In March, at my instruction, Secretary Simon presented my recommendation to the Congress to eliminate the transfer tax between spouses and to provide that property transfers between spouses would be recognized as incidents in the daily management of a family's household.

of a threat by the Reagan people to
oppose Fulkerson's re-election bid at
the Missouri State Convention on June 12.

He has no philosophical ties to Reagan
and should be supporting the President.

He is a cattleman and cattle auctioneer.

TALKING POINTS:

1. Request support at District
Convention and State Convention.
2. Ask him to make as many calls as
possible to produce votes at the
convention.

PRESIDENTIAL TELEPHONE REQUEST

TO : MAYOR JIM TAFT 401-785-1844 (0)

DATE : Saturday, May 29, 1976 (Mayor Taft will be in his Cranston, R.I. office between 1-2 p.m. today, taking a break from his campaign.)

RECOMMENDED BY : Rogers C.B. Morton

BACKGROUND : Mayor Jim Taft of Cranston, Rhode Island is running unopposed in the Republican primary for the GOP gubernatorial nomination. The Mayor endorsed the President yesterday in a joint press conference with PFC Chairman "Buddy" Cianci, Mayor of Providence, and John Chaffee, former Governor and candidate for U.S. Senate. Mayor Taft has turned his entire organization over to the PFC to identify and get out the vote between now and the primary. This effort will be crucial in achieving the desired margin of victory in Rhode Island.

Mayor Taft and Mayor Cianci do not get along very well but Jim Field of the White House staff and Bill Russo, the PFC field man, have managed to get both men working together. Mayor Taft wrote the President within the last 10 days requesting that the President visit Rhode Island between now and the National Convention to participate in a fund raiser for the Mayor and John Chaffee. No commitments have been made on this request.

Mayor Taft has been quoted as supporting V.P. Rockefeller for the number two spot on the Republican ticket.

There are 19 delegates at stake in Rhode Island.

TOPICS OF DISCUSSION

Appreciate your help and that of your fine organization in working to turn the vote out on Tuesday. This is crucial to achieving a convincing margin of victory.

TOPICS OF DISCUSSION (continued)

What is your appraisal of Tuesday's outcome?

How are your chances in November? Note: Incumbent Governor Noel is running for John Pastore's Senate seat. Lt. Governor Garrity will be Taft's opponent.

PRESIDENTIAL TELEPHONE REQUEST

TO : JOHN CHAFFEE 401-884-5050 (home)

DATE : Saturday, May 29, 1976

RECOMMENDED BY : Rogers C.B. Morton

BACKGROUND : John Chaffee was Governor of Rhode Island in 1962 and again in 1964. He served as Secretary of the Navy in the Nixon Administration and ran for the U.S. Senate against Claiborne Pell in 1972. Mr. Chaffee is one of the most popular politicians in Rhode Island history. He endorsed the President yesterday along with Mayor "Buddy" Cianci of Providence, (state PFC Chairman) and Mayor Jim Taft of Cranston, who is the GOP gubernatorial candidate. Mr. Chaffee has asked his workers to concentrate on a "get out the vote" effort for the President between now and Tuesday, June 1. He has expressed his belief that V.P. Rockefeller would be the best person to share the ticket with the President. The President received a letter from Mayor Taft recently inviting the President to Rhode Island before the National Convention for a joint Chaffee - Taft fund raising dinner.

5/29/76
Optimistic

TOPICS OF DISCUSSION

Thank you for asking your organization to work with the PFC in turning out the vote on Tuesday.

What is your best guess as to the outcome?

How are your chances this November? Note: Chaffee will be opposed by current Governor Phil Noel. They will be seeking the seat left vacant by the retirement of John Pastore.

PRESIDENTIAL TELEPHONE REQUEST

TO: Rhode Island PFC Headquarters in
Providence 401/272-5410
Mayor "Buddy" Cianci, State PFC Chairman

DATE: Monday, May 31 between 10:00 A.M. and 10:30 A.M.

RECOMMENDED BY: Rogers C. B. Morton

BACKGROUND:

The "get-out-the-vote" effort for the President on the Tuesday, June 1 primary, has been a joint campaign with Mayor Cianci, Mayor Taft from Cranston and John Chaffee, all asking their organizations to participate. The "Republican Family", as it is called in Rhode Island, has buried the hatchet and worked hard to achieve a large margin of victory for the President. 19 delegates are at stake in the primary and if Governor Reagan fails to get 1/3 of the vote, all 19 delegates will go for Ford; otherwise, the delegates are awarded on a proportional basis.

Your remarks will be broadcast on a loud speaker system in the headquarters and there will be press in attendance. After exchanging remarks with Mayor Cianci, it is suggested that you speak to the group for about 2 minutes.

SUGGESTED TALKING POINTS:

1. Appreciate the efforts of the "Republican Family" in Rhode Island who have worked so hard to make our effort on Tuesday a success.
2. I especially wish to thank Mayor Cianci, John Chaffee and Mayor Taft for their efforts.
3. Peace... Prosperity... Trust...

NOTE: Because of the current high unemployment rate in Rhode Island (over 11%), it is suggested that in the brief remarks on prosperity, the President relate to the control of inflation and the picking up of the economy in general, rather than mentioning the solid gains nationwide in employment.

MEMORANDUM FOR: TERRY O'DONNELL
FROM: JIM CAVANAUGH
SUBJECT: Telephone Call to Secretary Coleman

Dick has asked that you remind the President to place a telephone call today to Bill Coleman so that Bill will have the opportunity to give his recommendation to the President on the Boston busing situation. The Secretary is very concerned about this situation and has expressed his hopes to Ed Levi that Justice not intervene in the Boston case.

Last Friday at a dinner meeting of a law group here in town which Ed Levi attended, Bill indicated that he first thought that this was a decision that the Cabinet should make, but upon further reflection felt that Ed Levi was the government's top legal expert and that ultimately it would be the Attorney General's decision to make.

THE WHITE HOUSE

WASHINGTON

May 20, 1976

RECOMMENDED TELEPHONE CALL

TO: Houston (Hugh) Flourney, Director for the Center of Public Affairs, University of Southern California.

DATE: Prior to departing for the West Coast on Saturday, May 22.

RECOMMENDED BY: Stu Spencer, Mike Duval

PURPOSE: To seek his support for the California primary.

BACKGROUND: Hugh Flournoy lost the race for Governor of California to Jerry Brown by less than 1%.

He has strong support among moderate and liberal Republicans, in general, as well as good contacts with the Republican organization throughout the State.

Stu Spencer suggests that if Flournoy discusses any specific conditions for his support that you advise him that Stu will be in contact to work out details.

TALKING POINTS: • I know that to win California I must appeal to all Republicans, conservatives, moderates and liberals. In your race against Jerry Brown, you showed strong support among the broad spectrum of Republicans, and also picked up considerable support from Independents and Democrats.

Our victory in Michigan and Maryland was based largely on a strong turnout by all Republicans, not just those who are extremely conservative.

- I believe that Republicans cannot expect to do well in November if our Party is led by former Governor Reagan. I'm certain you can appreciate the difficulty that countless Republican candidates for Federal, State and local offices will have if the national ticket is headed by someone who does not have broad appeal throughout the Republican Party and to Independents and Democrats.
- Therefore, the California primary becomes of crucial importance, not just to my candidacy, but to the Republican Party as a whole in November. If I can win in California, then I think my chances for a first ballot victory in Kansas City are excellent. This will permit me to unify the Republican Party and develop the strongest possible position to take on our Democratic opponent in November. I believe this is the best course of action for a strong Republican showing in all races at the Federal, State and local levels in November.
- I hope very much that I can count on your support over the coming days leading to the June 8th primary.
- I'd also like your advice on how we can best turn out all Republicans, because in a big State like California with a very diverse Republican Party, apathy among the moderates could be very damaging to my chances.

- Stu says Hugh expects to be asked by President to support him publicly

- Stu invited him to be on L.A. to S.F. leg (AF-1) Tuesday but couldn't do it.

2. I believe we have been able to work out a number of details with respect to this post with which you were concerned.
