Dear Mr. President,

Please find enclosed a Summons and Complaint filed in Rosebud Sioux Tribal Court. I am sending this Summons and Complaint by mail rather than by sheriff out of the respect for your office.

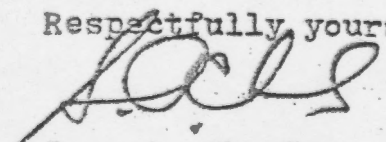

This action is aimed toward Indian control of Bureau of Indian Affairs activities carried on within the territorial confines of Rosebud Sioux Nation.

You are involved inasmuch as you are the Chief Administrative Officer of the Bureau of Indian Affairs. It is my legal opinion that jurisdiction of tribal court does not extend outside the boundaries of the reservation and consequently you would not be required to appear and answer this Complaint, however, it is my hope that you will admit service of this Summons and Complaint and subject yourself to the jurisdiction of the court out of the respect for the Indian people. It is also my feeling that since your actions affect the Indian people you must also be held responsible for them in their forum.

Rest assured that this action was brought solely for the purpose of giving the Indian people a greater control of their destiny.

Thank you.

Respectfully yours,

Dear Mr. Clancy:

I would like to apologize for my delay in responding to your March 6, 1975, letter concerning the Hamilton County inspection program and inflationary impact statement requirements. I appreciate the concern you expressed in your April 10, 1975, correspondence and wish to sincerely assure you that the delay in your response was unintentional.

The issues raised in your March 6, 1975 letter primarily concerned the relationship of the Inflationary Impact Statement requirements to the Hamilton County Inspection Program and the Environmental Protection Agency's authority to prohibit the issuance of license plates to vehicles which do not comply with program requirements.

In addressing the inflationary impact statement issues, it is necessary to understand the scope of the President's order. On November 27, 1974, through Executive Order 11821, the President ordered that all future major legislative proposals, regulations, and rules emanating from the Executive Branch of the Government include a statement certifying that the inflationary impact of such actions on the Nation had been carefully considered. The Office of Management and Budget is currently reviewing guidelines for use by the Environmental Protection Agency in determining which actions would require these certifications.

Since EPA's promulgation on November 8, 1973, of an inspection and maintenance program in Cincinnati occurred long before Executive Order 11821, that regulation did not require an inflationary impact statement. Furthermore, even if Cincinnati's transportation control plan were to be promulgated subsequent to the issuance of Executive Order 11821, the economic impact of the inspection/maintenance program is not of sufficient magnitude to require an inflationary impact statement. The annual cost of implementing this program is expected to be approximately \$250,000 and, therefore, not subject to any criteria requiring an impact statement.

100-443701-1000000  
CONTROL NO. AL-3080  
DUE DATE: Immediately

cc Leg I

Nevertheless, EPA has examined economic factors related to inspection programs and determined that inspection and maintenance is a desirable cost effective measure. As was indicated above, the cost to implement a program is not burdensome and the Implementing Agency is generally reimbursed over time through registration fees. Based on existing programs, the maintenance cost to the consumer for repair of a failed vehicle averages around twenty-five to thirty dollars with most maintenance costs amounting to less than ten dollars. More than half of this expense is indirectly repaid to the consumer through improved fuel economy. Generally, an inspection program can provide an average fuel economy improvement of up to six percent for the inspected vehicles which require maintenance.

You also asked about the basis for EPA's authority to prohibit licensing of vehicles which fail to pass Hamilton County's emission inspection test. The requirement for Hamilton County is based on Section 110(a)(2) of the Clean Air Act of 1970, as amended. Subparagraph (G) specifically states that the State Implementation Plan shall "provide, to the extent necessary and practicable, for periodic inspection and testing of motor vehicles to enforce compliance with applicable emission standards." In order to assure that the vehicles failing the inspection test actually receive the required maintenance, some enforcement mechanism is necessary. Currently, several states require vehicles to meet safety inspection criteria prior to annual registration. In addition, New Jersey requires vehicles to pass the emission limitation test prior to registration.

It is true that in the Transportation Control Plan for the greater Cincinnati area, EPA has required that cars would be denied registration that did not comply with the emission standards. However, this is only one mechanism for ensuring compliance. Our Regional Administrator in Region V, Mr. Francis Mayo, is currently exploring alternative methods of validating emission limitation compliance with Cincinnati and Hamilton County Officials.

I hope this information is helpful and I again apologize for the delay in my response. If you have additional questions on this program, I encourage you to bring them to my attention.

Sincerely yours,

/s/ Russell E. Train

Dear Mr. President:

On March 6, 1975, I wrote to Russell E. Train, Administrator of the Environmental Protection Agency, requesting the Inflation Impact Statement as required by Executive Order 11821 (November 27, 1974) on the emissions testing program being implemented by EPA in Hamilton County, Ohio. I received no reply to my inquiry, so again on April 10, 1975, I wrote to Mr. Train urging his compliance with the Freedom of Information Act by allowing me the requested document. According to certified receipt, this letter was delivered to Mr. Train on April 14, 1975.

My letter also requested other specific information with regard to the emissions testing program, notably an explanation of the authority which would allow the Environmental Protection Agency to prohibit the issuance of state license plates to those vehicles which do not comply with the emissions standards.

I would greatly appreciate your intervention to assure that the Environmental Protection Agency, as an Executive agency of the U.S. government, complies with the provisions of the Freedom of Information Act by providing me with the information I have requested.

Thank you for your attention and consideration. I look forward to knowing your decision with regard to this matter.

UNITED STATES GOVERNMENT

# Memorandum

TO : Philip Buchen  
The White House

DATE: June 16, 1975

FROM : Harold R. Tyler, Jr.  
Deputy Attorney General

SUBJECT:

Dear Phil:

I submit more precise information concerning the two separate criminal problems faced by Mr. Cleaver, if and when he returns to the State of California:

(1) First, Cleaver would face a return to prison to complete a term imposed in Los Angeles in 1958 on two counts of assault with intent to murder and three counts of assault with a deadly weapon. In 1966, he was paroled, apparently under the sentence, but this parole was suspended two years later, at the time when he took flight. While he will be entitled to a revocation hearing, I would suspect that the grounds to revoke are all too clear. There remain about four years to be served if the maximum term is fixed under California law. Furthermore, as I understand it, should Cleaver be returned to prison, there could be no release on bail in that particular case.

(2) The second problem Mr. Cleaver would face upon return stems from a 1968 Alameda County indictment charging him and others with two counts of attempted murder and two counts of assault with a deadly weapon upon a police officer. Parenthetically, I believe this arises out of the protracted gun battle in 1968 with police in Oakland, wherein two officers were wounded. Bail in this case was fixed for Cleaver at \$50,000. He jumped that bail. Should he return, I believe that California law would entitle him to ask for bail in this case. Presumably, it could be argued that his voluntary return off-sets the other negative aspects. On the other hand, one could assume that bail in this case may be moot in light of the problems inherent in the case discussed above.

Re: Eldridge Cleaver

Dear Brent:

It was good to talk to you last Wednesday during my visit in Washington, although I felt terribly guilty intruding into your time at such a crisis point in Vietnam. As agreed, I am writing this letter to give you the essential points regarding Eldridge Cleaver's desire to return to the United States.

Mr. Cleaver came to see me several weeks ago with the following story. He had been indicted in 1968 by a California grand jury for assault against police officers with intent to commit murder arising out of an incident that occurred on April 6, 1968. At the time, he was on parole from a prior imprisonment. Pending trial for this new charge, he had been released from jail on a writ of habeas corpus; but when an appeals court reversed this decision and ordered him to surrender to prison officials, he jumped bail and left the United States.

Since that time, he has been living in Cuba, Algeria, and now France. He has also travelled to the Soviet Union, China, North Korea and North Vietnam, among other places, during his seven years absence from the States.

Mr. Cleaver says, in effect, that he has been all around the radical world and has become disenchanted with it. He has rejected the Marxist-Leninist world view which he formerly advocated. He no longer wants to tear down the American system; he wants to come home and live with it. Nor does he any longer want to separate black people from the system. While other political radicals are seeking to destroy our system, says Cleaver, most of them have not been exposed to the radical undemocratic

SAMUEL PISAR

Lieutenant General Brent Scowcroft

systems they seek to emulate as he has. He has seen them, and they are not so great after all. He has come to realize the importance of democratic institutions and processes in the life of a nation. He is optimistic about the United States, and while he still advocates change, he no longer advocates political violence.

Mr. Cleaver has already been speaking out publicly along these lines and if he is able to return to the United States, he will continue to do so.

As regards his return, he says he is willing to stand trial in California for the charges pending against him. His only real condition is that he does not want to be thrown in jail pending the trial and its conclusion. He would also like to determine whether there are any other Federal or State charges that may be brought against him should he return.

The idea which I had was that it might not be bad for the United States, particularly in the current rather depressed state of affairs, for Cleaver to "come back into the fold" saying that he has been everywhere else and has concluded that the United States is still the land of opportunity. This might be particularly fitting in the bicentennial year. It also coincides with President Ford's effort to turn the American people away from recriminations and despair about the past to the hope and opportunities which America offers for the future.

I have discussed this with Elliot Richardson who reacted favorably and encouraged me to talk with you and with authorities in the State of California and in the Justice Department. At this stage, I have done nothing more than to make the preliminary contact with you; and as I understood it, you would prefer to make some discreet soundings of your own prior to my doing anything further.

I am convinced that if the proper circumstances can be created for Cleaver's return to the United States, the fact of his voluntary return and the public statements he would make as to why he was returning could, coming from him, have a significant impact in bolstering confidence in the United States not only among Americans but abroad as well.

As for my own role, while I am not a criminal lawyer, it occurred to me that it might be better for me to represent Mr. Cleaver i

this matter rather than having the usual radical representation. I would gladly play such a role -- without publicity -- if there is any public interest in the course of action I am suggesting in this letter.

I will await word from you regarding your preliminary soundings and, if they are positive, perhaps you could suggest what next steps should be taken. The American Embassy in Paris knows how to contact me so that if you wish to use that channel of communication, please do so. I would only suggest that in that case, you slug your messages "eyes only" for Galen Stone, who is the DCM, or Bill Connett, Chief of the Consular section, in order to preserve the confidentiality of the exchanges because I don't believe publicity will be helpful.

With many thanks for your assistance and best personal regards to you.

Sincerely yours,

Carl F. Salans

Dear Mr. Buchen:

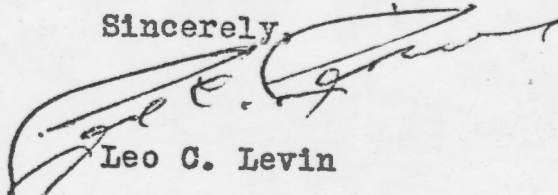

Permit me to thank you for your letter of June 23, 1975 in reply to mine of May 21st addressed to The President.

Your continued interest and follow up will be very much appreciated.

As feling*

Dear Mr. Thornburgh:

Your letter of July 16, 1975, to Phil Buchen asked for further details concerning Arthur D. Little Company's connection with the 1969 task force on Oil Import Controls.

It is my recollection that one of the staff consultants, Thomas Stauffer, was then employed by Arthur D. Little Company. The company did not participate as such, and I believe Stauffer's relationship to the task force was one of direct employment and not as an employee of Arthur D. Little Company. Stauffer did have access to internal documents and discussions in the course of preparing his own contributions to the task force study.

I have no knowledge as to whether or to what extent Mr. Stauffer may have had occasion to utilize information obtained in the course of this work in connection with his employment by Arthur D. Little Company, or as to whether such use would be in any way improper. The only fact ~~that~~ I mean to suggest is that, if my recollection is correct that he was then employed by Arthur D. Little Company, the opportunity ~~for~~ access to internal U.S. Government policy making existed.

While I have no specific recollection, I think it is quite possible that Arthur D. Little Company has done other studies in this general area for U.S. Government agencies, in which the company's involvement would be much more direct than any which might be inferred from the task force study.

I cannot provide you with the details of the terms under which Mr. Stauffer was employed, except that I know his services were intermittent and on a part-time basis. The task force was constituted in May of 1969 and planned to issue its report within six months. In fact, the report was issued in February of 1970.

The source of my knowledge was that I was also a member of the task force staff. By bringing these facts to your attention, I do not mean to impugn in any way the integrity of Mr. Stauffer's participation in the task force. I also trust that my furnishing of this information to you will be held in the strictest confidence.

Sincerely,

Mr. Philip W. Buchen  
Counsel to the President  
The White House  
Washington, D. C.

Dear Mr. Buchen:

On June 20, 1975, you referred to us a letter from Leo C. Levin and other materials concerning the Arthur D. Little Company with a request for advice as to whether a conflict of interest or other violation of law may be involved in that company's participation in preparing a position paper for the OPEC countries.

You informed us that the firm has also participated in confidential and sensitive policy studies for the United States Government including the President's Cabinet Task Force on Oil Import Controls in 1969.

To assist us in responding to your request, please advise us of the capacity in which the employees of the Arthur D. Little Company participated in Government policy studies. Specifically, we need to know if their services were those of private contractors or of employees retained, designated, appointed or employed by the United States to perform temporary duties either on a full-time or intermittent basis. If the latter, please advise us of the number of days it was contemplated such employees would serve at the time of their appointment.

Your assistance in this matter is  
appreciated.

Sincerely,

MEMORANDUM FOR

John C. Keeney  
Acting Assistant Attorney General  
Criminal Division

The attached letter and enclosure from Leo C. Levin contains allegations concerning a possible conflict of interest by the Arthur D. Little Co. The alleged conflict arises from the firm's role in preparing a position paper for the OPEC Countries and the fact that the firm has also participated in confidential and sensitive policy studies for the United States Government. One such study of which we are aware was the President's Cabinet Task Force on Oil Import Controls in 1969.

Could you please advise whether a conflict or other violation of law may be involved?

WILLIAM BRODER  
Plaintiff

against

RICHARD MICHALSKI, JOHN F.

Defendants

73 Civ 1249 JUDGE R.L. CARTER  
INTERROGATORIES: SUBMITTED TO  
DR. A. KAHN, HEAD OF N.Y.S.  
PUBLIC SERVICE COMMISSION  
DEPUTY ATTORNEY GENERAL, N.Y.  
JAMES D. FELLERS, PRESIDENT OF  
AMERICAN BAR ASSOCIATION

Please note attached exhibit 1 purportedly from the N.Y. Telephone Company stating that the service for plaintiff's business, Generic Formulae, Inc. is being terminated.

Plaintiff is submitting this exhibit to Dr. A. Kahn, Head of the N.Y.S. Public Service Commission requesting that he investigate and confirm to the Court:

1. The exhibit was not sent by the N.Y. Telephone Company, proof being that Pitney Bowes postage meter number 828122 on the envelope containing the exhibit was not issued to addressor. It will be found that this number as a multitude of others on envelopes containing falsified documents from various purported addressors were all issued to John F. Kelly Associates, Inc.

Note exhibit 2 mailed to plaintiff purportedly from the Office of Louis J. Lefkowitz with Pitney Bowes postage meter number also issued to John F. Kelly Associates, Inc.

2. Louis J. Lefkowitz, FBI Director C. Kelley, CIA Director Colby Defense Secretary Schlesinger are participants with John F. Kelly Associates, Inc. in a conspiracy or its coverup involving:

a. Misuse of Pitney Bowes postage meter numbers to falsify documents

b. Use by John F. Kelly Associates, Inc. of a CIA TV surveillance unit obtained in return for a bribe given to Nixon through Ehrlichman.

c. Wiretapping plaintiff's personal and business telephones in helping to subvert and corrupt the N.Y. Telephone Company, providing John F. Kelly Associates, Inc. with an inactive toll line (212) 738 5220.

page two of interrogatories

Plaintiff alleged in previous court actions that the law firm of Dewey, Ballantine, Bushby, Palmer and Wood representing Pfizer, Inc., its then chairman Powers, and its detective agency John F. Kelly Associates, Inc. bribed plaintiff's former attorney Samuel Kezsbom to sign a consent decree counter plaintiff's specific instructions not to sign. The bribe to Kezsbom was that a membership was arranged for his son Allen Kezsbom in the law firm of Kaye Scholer.

Further that Powers, Chairman of Pfizer, Inc. also attempted to subvert plaintiff's due process by passing a bribe to Nixon through Ehrlichman. In exchange for the bribe :

a. Stewart, the attorney then representing Dewey Ballantine in litigation against plaintiff, was appointed a judge in the very same court.

b. A sophisticated TV surveillance unit from the CIA was given to John F. Kelly Associates, Inc. to help destroy plaintiff. Dewey Ballantine, Powers, Kezsbom, Kaye Scholer, John F. Kelly Associates, Inc. Ehrlichman of course all denied plaintiff's allegations. Kaye Scholer also submitted an affidavit stating that Allen Kezsbom was granted a membership in their firm on Jan. 1, 1972.

Plaintiff submitted allegations of perjury and subversion of due process to the Association of the Bar of the City of New York stating that their records will show that Allen Kezsbom did not become a member of Kaye Scholer on Jan. 1, 1972, and in reply received exhibit 3.

Plaintiff is submitting the above allegations and exhibit 3 to James D. Fellers, President of the American Bar Association asking him to investigate and confirm to the Court:

page three of interrogatories

1. Allen Kezsbom did not become a member of Kaye Scholer on 1/1/78.
2. Exhibit 3 is a forgery, confirming proof is that Pitney Bowes postage meter number 636526 on the envelope containing the exhibit was not issued to addressor. It will be found that this number as with multitude of other numbers on envelopes containing falsified documents mailed to plaintiff from purported addressors were all issued to John F. Kelly Associates, Inc.

Plaintiff is also submitting the above allegations to the new Deputy Attorney General H. Tyler requesting that he investigate and reply to the Court, as follows:

1. Was a bribe given to Nixon through Ehrlichman to subvert plaintiff's due process? This can be determined if it will be shown that simultaneously and for no valid reasons a TV surveillance unit from the CIA was given to John F. Kelly Associates, Inc. and Stewart then representing Dewey Ballantine in litigation against plaintiff was appointed a federal judge.
2. Is the conspiracy to subvert plaintiff's due process still continuing as evidences by exhibit 4, purported order signed by Judge Werker? This order appeared under suspicious circumstances and appeared in the N.Y. Law Journal several days late. Plaintiff believes that it was not signed by Judge Werker but was entered by a conspiracy of John F. Kelly Associates, Inc. acting through his intermediaries U.S. Attorney Curran and Assistant U.S. Attorney T. Adams.
3. Is there a coverup to the John F. Kelly Associates, Inc. conspiracy by FBI Director C. Kelley, CIA Director Colby, Postmaster General Bailor and Defense Secretary Schlesinger?

These interrogatories are being mailed registered to Dr. A. Kahn 44 Holland Ave., Albany, N.Y. 12208; Deputy Attorney General H. Tyler, Justice Department, Wash. D.C.; James D. Fellers, President of American Bar Association 1155 E. 60th St. Chicago, Ill. 60637 and as it involves corruption of executive departments stemming from Watergate copies registered to Presidential Assistant P. Rumsfeld and Chief Judge J. Sirica requesting that they investigate and terminate conspiracy.

PROOF OF THE CONSPIRACY IS THAT NONE OF ABOVE WILL RECEIVE PLAINTIFF'S REGISTERED MAIL.

Dear Dr. Habot:

Congressman Fascell has brought to my attention your letter of June 9, 1975, to the President in which you request a pardon for your brother, Simon Habot, in order to take him to Israel for rehabilitation.

Executive clemency, of which pardon is one form, is only considered upon formal application to the President, filed in the first instance with the Pardon Attorney at the Department of Justice by the person who has been convicted of a Federal offense. When an application is submitted, it is processed in accordance with guidelines promulgated by the Attorney General and approved by the President. These guidelines provide that an applicant for a pardon should wait a minimum of three years after release from confinement before applying for a pardon. On the other hand, these regulations also permit an inmate to petition for Executive clemency in the form of commutation (reduction) of sentence at any time. Application forms and instructions are available at each Federal institution. Although you should be aware that Executive clemency is an extraordinary remedy and is granted only in the most exceptional cases, I can assure you that if your brother should apply for commutation of sentence, his application will be carefully considered.

In the meantime, I have referred your letter to the Pardon Attorney in order that it may be placed with your brother's file in the event that a formal petition is received.

Your inquiry is appreciated.

Sincerely,

*Philip W. Buchen*

I am writing to you in behalf of my brother Simon Habot. He was convicted of illegally transferring cocaine from his residence in Bolivia to Florida.

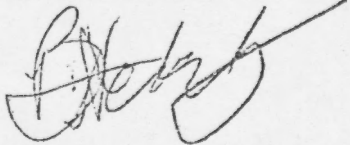

My brother's wife had to undergo cardiac surgery in Houston, Texas; she had two procedures and has since died of her disability leaving him to care for two small children, age four and eight.

If you can see to pardon him to my care I will assume all responsibility for him and the children; social as well as financial and will take him and his children out of the United States Of America to Israel so that I can rehabilitate him and obtain suitable employment. Also we will see that periodic social-service and supervision reports are forwarded to the proper office.

returned to the Flag and the Country.
2. And it has been granted that Mr. Morrow be presented with  
the Flag of the United States of America that was flown  
over this nation's capitol building.

Be it so known this  
2nd. day of November, 1974.

Thanks to the "Spirit of 76" we celebrate the "Spirit of 76". AND it should be a most profitable celebration to those of us who have something worthwhile to put in our sale's Portfolios. A NEW and EXCITING sales tool for our salesmen is the quickest and easiest way to boast Broadcasting income.

My new package combines the memories of Broadcasting with the colorful adventures of Americas 200 years, placing a new and exciting sales tool at the disposal of our sales staff. A tool to unlock the purse strings of hard-to-get-accounts---accounts that can, (and WILL,) be sold on a special, audience capturing package.

In testing this package we worked five markets in Arizona and five in Utah. We sold the package in every market in less than two days, and the smallest package sold will bring the station \$12,500!

In one area we sold an entire near by town the package to promote the town itself for a total of over \$1,600.00 per month for 1976.

In another market we sold the package to 12 accounts at \$150 per month each--or \$1,800 a month EXTRA for all of 1976.

In another market a bank and it's bankers bought the entire package for \$24,000.

And all you pay for the package is \$100 a month for 10 months of 1976.

This package is IDEAL for programming BEAUTIFUL for sales. With forty years of Broadcasting I try to design and produce each package as I would want if I were still in station sales or programming.

You'll like it-AND you'll make money with it.

Thanks for listening.

Sincerely,

Robin A. Morrow  
President.

Dear Mr. Morrow:

It was heartwarming to learn about your deep devotion to our Nation. Your warm and thoughtful message means a great deal to me.

I was very pleased to learn of the overwhelming listener response to your "This is my Country" spot vignettes over Radio Station KANN in Ogden. There is, indeed, so much that is good about our Nation that reaffirms our faith in the American spirit. Your success in rekindling that spirit is evidenced by the dinner in your honor sponsored by your community leaders. I join them in applauding your efforts and in thanking you for your continuing good work.

With warm regards and best wishes in the new year.

Sincerely,

*Harold R. Ford*

ROBIN MORROW, PRES.

GEORGE GREELEY, V. P. - MUSICAL DIRECTOR

The HONORABLE Gerald Ford  
President of the United States  
Washington, D.C.

Dear Mr. President:

I've never written to a PRESIDENT before...and certainly NOT a Republican.  
I've been a Democrat since I was old enough to argue with my grandfather.

However, I'd like to tell you what has happened to me.

I've been a Broadcaster for over thirty five years...it seems like since the beginning of time. Three months ago I initiated a program at K A N N in Ogden, Utah called "THIS IS MY COUNTRY." These consisted of three minute vignettes, every half hour throughout the broadcast day, telling of the wonders and beauty, the pride and integrity of our UNITED STATES. The station was flooded with phone calls, letters and cards requesting copies of the poems and prose used, invitations to speak at various civic, educational and church functions, (which I happily did...and am still doing,) and general street conversation regarding the thoughts behind "THIS IS MY COUNTRY."

I believe, Mr. President, I have proven, (at least, to myself,) that AMERICANS DO still have a great pride in their country, and a deep and lasting love for the AMERICAN FLAG. I ALWAYS HAVE!! Last week, a delegation of local "NOTABLES" inited my wife and I to a special dinner. During that dinner, ( and from my DEMOCRATIC congressman,) I was presented with the BEAUTIFUL flag that had flown over our Nation's CAPITOL BUILDING on June 13, 1974. This was the greatest, and most beautiful thing that has ever happened to me, and the tears, un-ashamedly, ran down my cheeks. I was told a group of Utah's, and Ogden's leaders arranged this. I felt doubly proud.

I thought, perhaps, my greatest moment should be shared with MY PRESIDENT, (even though he's a Republican,) and would help to let you know that MOST of America still carries that deep and lasting pride, and love, and DEPENDABILITY for this great and wonderful Nation.

We are now instigating a full program of OPTIMISM..news..music..whatever we broadcast MUST be on the HAPPY, OPTIMISTIC side.

Just thought you might be interested..if this letter ever reaches your desk.

The most joyous of Holiday Seasons to you and Mrs. Ford...and to those we depend on for the continued pride in America.

Most sincerely

Robin Morrow

PRESIDENT GERALD FORD

WASHINGTON DC 20500

DEAR MR PRESIDENT

IN LIGHT OF RECENT DISCLOSURES BEFORE THE SENATE COMMITTEE ON INTELLIGENCE REGARDING THE FBI HARRASSMENT OF DR MARTIN LUTHER KING JR WE ARE CALLING UPON YOU TO ORDER THE REOPENING OF THE INVESTIGATION OF THE ASSASSINATION OF DR KING. WE ASK YOUR COOPERATION IN A FULL AND OPEN HEARING OF ALL THE EVIDENCE BEFORE A PROPER CONGRESSIONAL COMMITTEE

ON JULY 3 1975 WE DELIVERED TO THE JUSTICE DEPARTMENT AND TO THE FBI A DOCUMENT WRITTEN BY ROBERT BYRON WATSON IN WHICH HE CLAIMED TO HAVE OVERHEARD THE PLOT TO ASSASSINATE DR KING

WE FEEL CERTAIN THAT IF THIS DOCUMENT IS INVESTIGATED THOROUGHLY THAT IT WILL CLEARLY REVEAL THAT ONE MAN ALONE WAS NOT RESPONSIBLE FOR THE MURDER OF DR MARTIN LUTHER KING JR

IT IS OUR FEELING THAT A THOROUGH AND OPEN INVESTIGATION WOULD LEAD TO THE DISCOVERY OF MR C H ANDREWS AKA R L WARREN RECENTLY INCARCERATED IN THE MIMICO CORRECTIONAL INSTITUTE IN TORONTO CANADA ANDREWS WHO BY HIS OWN ADMISSION WAS INVOLVED IN THE PLOT WHICH LED TO THE ASSASSINATION OF DR KING ON APRIL 4 1968 IN MEMPHIS TENNESSEE, ATTEMPTED SEVERAL YEARS AGO TO REVEAL THE DETAILS AND PARTICIPANTS IN THIS PLOT TO THE STATE ATTORNEY GENERAL OF TENNESSEE. HIS EFFORTS TO DO SO WERE REJECTED. AT THAT TIME HE WAS WILLING TO MAKE KNOWN ALL THE DETAILS OF THE PLOT IN EXCHANGE FOR HIS IMMUNITY AGAINST PROSECUTION AND WE HAVE EVERY REASON TO BELIEVE THAT HE WOULD BE WILLING TO DO THE SAME NOW.

WE CALL UPON YOU MR PRESIDENT TO ORDER PROTECTION FOR THE KEY WITNESSES IN THIS CASE AND TO REQUEST A NEW TRIAL FOR JAMES EARL RAY WHO HAS BEEN TRYING TO TELL HIS STORY EVER SINCE HIS CONVICTION BUT HAS BEEN DENIED THE RIGHT TO DO SO.

ONE OF THE MOST IMPORTANT WITNESSES ROBERT BYRON WATSON IS CURRENTLY INCARCERATED IN THE FEDERAL PRISON AT ASHLAND KENTUCKY 41101. INFORMATION WHICH HAS RECENTLY COME TO OUR ATTENTION INDICATES THAT HIS LIFE AND SAFETY MAY BE IN GRAVE DANGER. WE ASK THAT HIS PROTECTION BE URGENTLY SECURED.

STATE LEGISLATOR MOSEA L WILLIAMS OF GEORGIA HAS BEEN UNDULY HARRASSED EVER SINCE HE BECAME INVOLVED WITH US IN THE PURSUIT OF THE TRUTH ABOUT

THE ASSASSINATION OF DR KING. WE ASK THAT YOU DIRECT SOMEONE TO REVIEW THE CASE AGAINST MR WILLIAMS PENDING NOW WHEREIN HE HAS BEEN INDICTED AS A FELON FOR TRAFFIC VIOLATIONS.

IN THE SPIRIT OF THANKSGIVING WE ARE THANKFUL ALONG WITH COUNTLESS MILLIONS OF PEOPLE AROUND THE WORLD FOR THE LEADERSHIP AND DEVOTION TO PEACE AND NONVIOLENCE THAT DR MARTIN LUTHER KING GAVE US. WE ARE SHOCKED AND OUTRAGED AT THE MAGNITUDE OF PERSONAL INTIMIDATION HARASSMENT AND DENIAL OF INDIVIDUAL CIVIL RIGHTS DIRECTED AT THE LATE DR KING BY THE FEDERAL BUREAU OF INVESTIGATION.

WE ARE ASKING YOU MR PRESIDENT IN THAT SAME SPIRIT OF THANKSGIVING TO INVITE THE FAMILY OF THE LATE DR KING TO THE WHITE HOUSE AND PUBLICLY EXTEND AN APOLOGY TO THEM FOR THESE VIOLATIONS OF DR KING'S INDIVIDUAL FREEDOMS.

WE ASK THAT YOU CALL FOR THE DIRECTOR OF THE FBI TO MAKE AN APOLOGY TO DR KING'S FAMILY FOR THESE ABUSES AS WELL.

WE WISH YOU AND YOUR FAMILY A MOST WARM AND HAPPY THANKSGIVING HOLIDAY

RESPECTFULLY YOURS

DICK GREGORY AND REVEREND RALPH ABERNATHY

Dear Mr. Pepper:

This is in further response to your inquiries concerning your constituent, Leo C. Levin's complaint against Arthur D. Little Co.

We have not yet received a final response from the Department of Justice, which is not unusual for a matter of this kind.

I have asked the Department to respond to you directly when they do reach a conclusion.

Sincerely,

The Honorable Claude Pepper

THE WHITE HOUSE

WASHINGTON

December 31, 1975

Dear Mr. Thornburgh:

On September 30, 1975, you responded to my memorandum of June 20, 1975, involving the question of whether the Arthur D. Little Co.'s work on behalf of OPEC member countries involved any conflict of interest because of its work on other projects for the U.S. Government. The question was brought to our attention by Congressman Claude Pepper. Copies of the correspondence were enclosed with my memorandum.

Your memorandum stated that you found no evidence of criminal violation and mentioned that you did not consider whether violations of standards of ethical conduct might be involved because that question was not specifically raised.

Your conclusions as to possible criminal liability appear to relate solely to the question of whether a named individual might have committed a violation. Mr. Chapman, of my staff, confirmed this in a discussion with Mr. Andary of your staff, who stated that no investigation of the firm's contracts had been made. Mr. Andary also provided for our study a copy of the Presidential memorandum of May 1963 concerning ethical standards.

The purpose of my original question was directed at whether the company may have been involved in some conflict of interest. The mention of a specific individual was cited only for the purpose of illustrating that the Arthur D. Little Co., has had access to confidential government information.

I would, therefore, appreciate it if you would reopen this investigation to focus on the various contracts held with the U.S. Government by the Arthur D. Little Co. In addition, we would be interested to know whether any ethical violation may be involved.

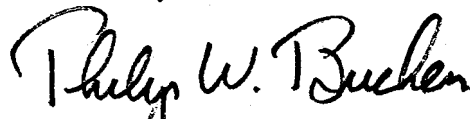

I understand that a complete answer to the question raised by Congressman Pepper may involve questions of government policy entirely apart from criminal or ethical violations, but the latter are an essential part of the inquiry.

We are continuing to receive inquiries from Congressman Pepper on this matter. Copies of his letters, in addition to those you already have, are enclosed. When you have completed your investigation, please respond directly to him, with a copy to me.

Sincerely,

A handwritten signature in dark ink, reading "Philip W. Buchen". The signature is written in a cursive style with a large, prominent "P" and "B".
