Dear Kit:

Thank you very much for your kind words of support in your remarks to the Republican National Leadership Conference.

No one can deny that our Nation faces serious problems, and it is time to put our domestic house in order. As I carry out the duties of my office, knowing that I have your support is a source of great strength.

I am looking forward to working with you in your capacity as Chairman of the Republican Governors Association and continuing to work with you in your duties as Governor of Missouri. Your address to the Leadership Conference marks you as an important Party leader, and I know that you will work diligently to revitalize our Party and elect good and responsible Republican public officials.

Sincerely,

JERNY FOLL

The Honorable Christopher S. Bond Governor of Missouri Jefferson City, Missouri 65101
