Dear Mr. Greathead:

Jim Connor has given me the August 14 edition of The Fulton County News, and I am most impressed with the photo log you compiled during your visit to the White House.

Your skillful eye has captured an excellent view of the working White House, and I appreciate the perspective your coverage has provided to your readers. I wish that it were possible for all Americans to visit the White House as you did, but I'm pleased to know so many have been able to share the experience through your photographs and captions.

I congratulate you on the refined and accomplished talent displayed in this feature and extend my best wishes for the days ahead.

Sincerely,

Mr. Jamie Greathead
