**Introducing the Senator from Delaware, Joe Biden.**

"I remember the heroes of my youth...and so do you. They made me feel good about myself. They made me feel good about my Party. And most of all, they made me feel proud of my country.

"It was a soaring sensation. And I still feel it when I hear them in my heart. And I hear them every time I hear the hymn in my church that is based on the 91st Psalm.

'And he will raise you up on eagle's wings, and bear you on the breath of the dawn, and make the sun to shine on you.'

"Well, that's how I felt. And that's how I want to feel again, for I think that's the natural feeling for an American."

Senator Joseph Biden  
California Democratic Convention  
January 31, 1987
